# Inline tube

The Professional Restorers #1 Choice

[www.inlinetube.com](http://www.inlinetube.com)

This kit works with most conversions. The five-port proportioning valve mounts under the M/C with bracket (BRK03).

\*For vehicles converted to front disc with proportioning valve placement under M/C for clearance from frame and exhaust manifold.

The correct valve bracket is Inline Tube part BRK03.
